Dear Sir,

I am acting on behalf of 332 members of the International Support Group, which is more than 1/10 of the members of the association. New power of attorneys are coming in continuously. These specified members of the association are not pleased with the way the current board has managed the International Support Group. There has been insufficient reporting on disposal of funds donated to and collected by ISG and also in other vital matters. Therefore, on behalf of the 332 members I request the board of the International Support Group to call an extra general meeting within two weeks.

At the demand of the members the following subjects shall be discussed at the general meeting:

1. Full report of the current Board on the status and disposal of funds;
2. Election of new Board.

The meeting should preferably take place in Stockholm in the office of ISG enabling on-site check of certain documents relating to disposal of funds.

Yours sincerely,

Kersti Barendsen
